## Terms of Service

In addition to the counseling session fees, it is our practice to charge a fee of \$150.00 per hour on a prorated basis for other professional services you may require, such as report writing, telephone conversations lasting longer than ten (10) minutes, attendance at meetings or consultations with other professionals which you have authorized, preparations of records or treatment summaries, or the time required to perform any other service which you may request of me. In some circumstances, you may be involved in a litigation, which may require my participation. **You will be required to pay for the professional time required, EVEN if I am compelled to testify by another party. (Because of the complexity and difficulty of legal involvement, I charge \$250.00 per hour for preparation for travel from my office and back, and for my time waiting for and attending any legal proceeding).**

*I understand that it is customary to pay for services when rendered. I accept full responsibility for payment of any balance incurred for services. **I further understand that without 24-hour notice of intention to cancel, I will be charged the full fee for service.***
